

Cemu - Bug #148

Can't play Luigi mode in SM3D World

07/24/2019 09:02 AM - leafo

Status: Resolved	Start date: 07/24/2019
Priority: Normal	
Assignee:	
Category: Compatibility	
API:	GPU Vendor/Model:
Cemu Version:	
Description	
When you click on the Luigi icon on the start page (bottom left), the screen appears asking if you want to play the Luigi version of the classic game.	
Click play causes Cemu to crash.	
Tested today on Cemu 1.15.10
