

Cemu - Bug #206

Track play time and last played when using "Cemu.exe -g game_path"

Description	
It seems that 'File > Load' via the GUI works, so I'm unsure if this fits as a bug or feature request.	
This feature would benefit people who use shortcuts and separate game launchers (some that display Cemu's play time) but still want Cemu to properly report these stats when they go see it.
