

Cemu - Bug #230

Typo in the UI

12/19/2019 05:51 PM - wavix

Status: Resolved	Start date: 12/19/2019
Priority: Low	
Assignee:	
Category: UI	
API:	GPU Vendor/Model:
Cemu Version: 1.16.0	
Description Really minor thing, but I feel like pointing this out anyway. Found a typo in the latest Cemu release in General Settings -> General -> Language hover text. "A restart will be required after changing the language", it is quite obvious.
