

Cemu - Bug #443

Graphic packs settings window not adjustable / scroll-able.

12/05/2020 07:54 AM - chriztr

Status: Resolved	Start date: 12/05/2020
Priority: Normal	
Assignee:	
Category: UI	
API:	GPU Vendor/Model: amd rx 580 8gb
Cemu Version: 1.22.1	
Description The graphic packs window is resize-able, but not scroll-able with the new multiple choice packs rolling out these days, leaving some settings "hidden". See the screen cap to see what I'm talking about. (at the right side)
