Cemu - Bug #51

Warriors Orroci 3 Hyper Softlock

04/25/2019 05:27 AM - Zalnor

Status:	Resolved	**Start date:**	04/25/2019
Priority:	Normal		
Assignee:			
Category:	Compatibility		
API:		**GPU Vendor/Model:**	
Cemu Version:			

Description

If you launch the game with the update data installed the game will softlock on boot, I tried several Cemu configs with game profile settings to no avail.
Here is a log and ram dump of it. No cemuhook or gfx packs used.
