Cemu - Bug #583

Starting games stored on NAS not working through game list

10/20/2021 02:09 PM - krautnelson

Status:	New		**Start date:**	10/20/2021
Priority:	Normal			
Assignee:				
Category:	UI			
API:			**GPU Vendor/Model:**	
Cemu Version:	1.25.6			

Description

Cemu uses forward slashes in the file paths when loading games through the game list. This generally doesn't cause any issues, except when trying to load files over network paths.
The path shows up correct in the settings file for the title entries. It's only on loading that the backslashes get switched to forward slashes.
