#### Description

When Bins by 1UP industries is running

<http://www.1upindustries.com/bins/>

CEMU refuses to launch and if you launch CEMU and then use bins there will be issues with CEMU.

Please fix :p.

Cemu version is the current version but I also had this issue about a year ago and forgot to do a bug report.

- Status changed from New to In Progress

The next Cemu release (1.26.0) has a potential fix for this. Once the public version is out give it a try and let us know if it's fixed.
