

Cemu - Feature requests #85

Improvements to organization of the graphic packs in the UI

06/13/2019 08:28 PM - Geroyuni

Status: Resolved	Start date: 06/13/2019
Priority: Normal	
Assignee: Petergov	
Category: UI	
API:	GPU Vendor/Model:
Cemu Version:	
Description Put groups above toggles instead of mixing them alphabetically (shown below). This is similar to what is usually done with folders and files . I personally think this should make things less confusing, especially when there are a lot of options like below. 9b59fi.png Previously discussed on slashiee/cemu_graphic_packs#375	

History

#1 - 06/14/2019 08:35 AM - Petergov

- Status changed from New to Accepted

- Assignee set to Petergov

#2 - 07/03/2019 10:27 PM - Zalnor

- Status changed from Accepted to Resolved

#3 - 07/03/2019 11:53 PM - Zalnor

- Category changed from General to UI

#4 - 07/03/2019 11:53 PM - Zalnor

- Priority changed from Low to Normal
