This is not a bug. The game requires extra files be dumped from your wii u as described here.

[http://compat.cemu.info/wiki/New\\_Super\\_Mario\\_Bros\\_U#External\\_files](http://compat.cemu.info/wiki/New_Super_Mario_Bros_U#External_files)

There is also a crash fix graphics pack that works for most versions. If your version isn't supported by the pack dm me on discord and I'll add support.
