What version of CEMU, and have you tried a fresh install? I am unable to reproduce on 1.15.10

#2 - 07/03/2019 11:44 PM - Zalnor

- Priority changed from High to Normal

#3 - 07/04/2019 12:58 AM - Zalnor

- Status changed from New to Closed

This is usually an issue with the OS and not cemu.

as a workaround specific for it, you can copy the update/dlc into the correct directory listed in the log.txt cemu makes after you run the specified game.
