Cemu Version:	1.15.20		
Description			
Skylanders superchargers and Skylanders Imaginators use online, in Cemu 1.15.20, when I launch the game and try to connect to online, the game say that it's unable to connect to the servers, but in older version (1.15.19 and older),the game crashes at a certain moment, but only when I active online, when I'm offline, the game works fine.
